Subject:- Hydro Kinetic Turbines by M/s MACLEC - reg.

Sir,

I am directed to say that the report of the Committee headed by Member (Hydro), CEA with a mandate to study the Concept & Commercial applications of Hydro Kinetic Turbine developed by M/s Maclec Laboratories, has now been received (copy enclosed).

2. The committee has inter-alia recommended that the Power Generating Utilities may take up technology demonstration projects of suitable capacities at different locations under varying operating environments to promote R&D activities.

3. It is, therefore, requested that necessary action in this regard may be taken at your end.

Yours faithfully,

(Mukesh Sawhney)

Under Secretary to the Government of India
